Forecast For East of England
Issued by Met Office Exeter
at 0400 on Tuesday 06 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunshine and showers today. Windy in the east this morning.

Today:
Becoming breezy, with coastal gales possible in the east for a time this morning. Scattered showers through the day, some on the heavier side, though with sunny spells in between. The best of the sunshine likely through the afternoon. Maximum temperature 21 deg C (70 deg F).

Tonight:
Showers soon easing this evening and widespread clear spells developing. Clouding over around midnight in many parts with a few showers towards the north and west. Winds easing. Minimum temperature 12 deg C (54 deg F).

Wednesday:
Largely dry but cloudy to start. Sunny spells developing through the morning and into the afternoon with occasional showers. Some of the showers will be heavy with thundery downpours possible. Maximum temperature 22 deg C (72 deg F).

Outlook for Thursday to Saturday:
Sunshine and showers again on Thursday, some heavy through the afternoon. Further scattered showers Friday, but lighter than Thursday. A fine start Saturday, rain or showers later.
